

DENASTER

Leading Gadget Distributor Middle East & Asia

Welcome to Denaster

The sale of innovative products using live demonstrations.

Denaster General Trading LLC serves as a distribution link between international vendors and the Middle East. Operating from Dubai, UAE, our focus is the supply of quality products to the consumers of the GCC member states through our distribution network of retailers and airports.

With a management team combining over 45 years of experience in the global distribution arena and more than 150 staff, we are perfectly positioned to offer the support suppliers need to fully discover this market's potential. From the initial stages of determining regional potential, through to marketing, product placement and volume distribution, we have the tools needed to introduce quality products to new markets.

Anki Overdrive

- Race
- Battle
- Time Trial
- King Of The Hill
- Tournament

BB-8™ App-enabled Droid™ With FORCE BAND™

The Force Band app experience allows you to go deeper into the Star Wars™ galaxy. Learn how to master gesture driving with a brand new adventure, view your collection of Holocrons found in Force Awareness mode, and explore more ways to play.

BB-8

ollie

The future of app-enabled robotic racing.

Meet Darkside - Devious. Defiant. Diabolical. Dangerous. This is Darkside - an electrical beast that draws its energy from unrestrained competition and reckless abandonment. Command this app-enabled robot with these forces to unleash its unrivaled power. But take heed - the Darkside will overpower anything standing in the way of victory - including its master. You have been warned.

- Wicked Fast Racing
- Diabolical Tricks
- Custom Tires And Hubs

Sphero is the app-enabled ball that does it all.

Meet Sphero - the app-enabled ball that does it all. Intelligent and well-rounded, Sphero is a brave explorer, a teachable robot, and an entirely new way to play.

- Over 30 apps available for iOS and Android ensure you never run out of ways to play
- Capable of rolling speeds up to 7 feet per second. That's faster than you.
- Connects to your device via Bluetooth and boasts a range of up to 100 feet.
- Hackable and programmable internal robot means you can get geeky.

SPRK+

Learning is evolving. Get on the ball.

Designed to inspire curiosity, creativity, and invention through connected play and coding, SPRK+ is far more than just a robot.

SPRK+ and Lightning Lab allow you to collaborate with other users around the globe to innovate the world of education and empower anyone to program. Equipped with Bluetooth SMART and a strong scratch-resistant UV coating, SPRK+ takes hands-on learning up a notch. Join the growing community of makers, students, instructors, and parents – all learning on the same social platform. SPRK+ will foster a love of robotics, coding, and STEAM principles... all through play. Learning is evolving. Get on the ball.

DISCO
+

Leaf

The evolution of well-being.

Bellabeat LEAF brings a new level of quality to your life. It helps you improve specific aspects of your daily routine so you can feel your absolute best. The LEAF collects your data and, when you're ready to take a look at your results, it wirelessly syncs with the LEAF app via Bluetooth. The app is available for iOS and Android.

- Logs your movement through the day and calculates your calorie output
- Tracks your sleep patterns, revealing the quantity and quality of your sleep
- Tracks your reproductive health, providing you with an overview of your menstrual cycle
- Helps you manage and relieve stress through goal-oriented breathing exercises

**Memory Foam
Pillow**

Memory Foam Pillow

Made from High-Density memory foam, a material often recommended by chiropractors and osteopaths, this pillow moulds perfectly to the head, neck and shoulders. Coupled with the flat-back design, it is essential for upright sleeping comfort. Regardless of how it's worn or folded for travel, it will always return to its original shape.

- Revolutionary structured travel pillow
- Snug 360 degree fit - instantly molds to the neck and shoulders
- Adjustable closure prevents head from falling forward
- Rear grip helps secure pillow to any head rest
